Ian Holmes

Dear Ian

Clubmark External Verification

Following the consultation with my colleague concerning the Clubmark External Verification process, I am writing to thank you and your club for your time and support in an important aspect of the Clubmark licensing process. The External Verification enables us to ensure that your national governing body (NGB) is continuing to demonstrate the robustness of Clubmark as a quality accreditation scheme.

We were particularly impressed with the calendar of events which provide competitive opportunities for young people at the Club. The Club also has a clear commitment to ensuring a duty of care and safeguarding and protecting children and young people. My colleague has indicated that your development plan, which follows the sections of Top Club, should stand the club in good stead for the future as we approach 2012.

Following the completion of this process across the country we will be submitting a report concerning Clubmark practices in general (not club/sport specific) to each NGB in April. We advise that you contact your NGB if you wish to receive any further feedback.

Once again, many thanks. We hope that you continue to be a successful Clubmark accredited club.

Yours sincerely,

Clare MacLeod
National Clubmark Manager
